

# Casement and Awning

A versatile, user-friendly replacement option

One word describes Infinity® from Marvin Casements and Awnings -- easy. They are easy to choose, easy to operate and easy to love.

The Casement (left or right hinged) and Awning (top hinged) combine beauty and virtually effortless operation. The standard Easy Wash® hinge is just that--a design that lets you easily clean the window both inside and out. The optional Clear View® hinge provides for an optimal viewing area. Both Casements and Awnings feature folding handles that tuck conveniently out of the way of most window treatments and provide a clean, finished look.

Awning

Infinity Casements and Awnings incorporate effortless operation and functionality with a multi-point locking system.

The Easy Wash® hinge creates an opening for easy cleaning from the interior of your home.

The Clear View® hinge option keeps the sash tight to the frame allowing for maximum visibility.

Available in a variety of multiple assembly options
